Hello:

We have had no formal resignations from any physician in town.

Dr. Sodhi's contract would expire in August 2025 and he would be required to renew it then. He has expressed some desire to leave more so for personal reasons. As of yesterday, he was thinking he was going to stay so I am hopeful he will renew.

As for Dr. Sadaat Torabian, he has not resigned – he has voiced that he may be resigning but nothing official.

We will keep you in the loop as soon as we hear anything further.

Thank you for reaching directly to me! Please continue to do so.

Have a nice weekend,

Ashley Anderson BScN RN

Good afternoon Ashley:

The Reeve, Len Palmer, has had rate payers approaching him regarding potential doctor shortages in Davidson. And if so, how would this affect our Health Centre?

Would you be able to provide any information on this matter?

Thanks in Advance,
